**Re: Offshore Technology Conference, 6-9 May 2024, Houston, Texas, USA**

The organizers of the Offshore Technology Conference invite you to attend the 2024 conference and exhibition being held 6-9 May in Houston, Texas, USA.

The Offshore Technology Conference (OTC) is where energy professionals meet to exchange ideas and opinions to advance scientific and technical knowledge for offshore resources and environmental matters. Founded in 1969, OTC's flagship conference is held annually in Houston. OTC has expanded globally with OTC Brasil and OTC Asia. OTC is sponsored by 13 nonprofit organizations in the energy industry, who work cooperatively to develop the technical program. Revenue from OTC directly benefits the membership of these societies.

Attendees will find presentations and panel discussions with a focus on all aspects of the offshore energy sector, as well as new areas of opportunities in the Around the World Series. The subjects covered are pertinent, timely and important to the offshore sector. In addition, attendees will hear from thought-leaders and experts in the Executive Dialogue Series and Keynote Speaker Series.

We understand that you will bear all the expenses related to your visit. TC is not able to contact the embassy or any government agencies on your behalf; this is your sole responsibility.

We look forward to seeing you in Houston, Texas, USA.

Sincerely,

**Leigh Ann Runyan**  
**OTC Executive Director**
